SAN JOSE STATE COLLEGE

Vol. XXXVIII San Jose, Calif., Thursday, May 18, 1950 No. 136

SJS Engineers Exhibit Laboratory Equipment

With nearly a quarter of a million dollars of laboratory equipment on display, the San Jose State college Engineering department will present its second annual open house today and tomorrow.

Members of Alpha Eta Rho, campus aviation fraternity, and the

Engineering department have worked incessantly for the past month in planning educational exhibits and spectacular demonstrations for the 2000 persons who are expected to visit the two quonset huts which have been serving as laboratories for the past three years for engineering and aeronautical students.

All the work done by these students has been in the face of handicaps, especially a lack of room. The engineering program was initiated by President T. W. MacQuarrie in 1945 and for the first two years the activities were scattered over different areas on campus. The members of the Engineering department have high hopes that new engineering buildings which are being planned will be completed next year.

The 1949 open house created a great deal of interest, despite the fact that it was not publicized to any great extent. More than 1300 people pushed their way into the metal huts and many more are expected this time.

The buildings will be open to the public from 7 p.m. to 9:30 p.m. tonight and from 2:30 p.m. to 9:30 p.m. tomorrow. The entrance is at Sixth and San Carlos streets.

Band Presents Free Concert In Auditorium

By CHARLEEN LITTLE

Tonight at 8:15 o'clock the San Jose State college symphonic band will present its spring concert. The concert is free to the public and will be held in the Morris Dailey auditorium.

A program of music written especially for band will be presented. Only recently much of the early music for bands of other years has been made available in a form playable by bands of today. Today's composers are discovering that the concert bandstand is at least as direct a channel to the hearts of the people as the more rarefied atmosphere of the symphony orchestra hall.

The program will include "Sonata Piane Forte", Giovanni Gabrieli; "Washington's Grand March"; "Trauersinfon", Richard Wagner; "Naval Reserve March", John Philip Sousa; "Elegy Before Dawn", Norman Cazden; "When Johnny Comes Marching Home", Roy Harris; "Hymn and Fuguing Tune No. 1", Henry Cowell; "March-In Memorium", Darius Milhaud; "A Solemn Music", Virgil Thomson; and "March, Opus 99", Serge Prokofiev.

Grads Get Gowns

SENIORS—Report today at the Spartan shop for cap and gown measurements. All those failing to be measured today will wear levis and T-shirts to commencement exercises because this is the last day.

Thomas Speaks

Carl Thomas, regional secretary for the Inter-Varsity Christian Fellowship, will speak to the Collegiate Christian Fellowship today at 12:30 in Room 124. All students and faculty members are invited to attend, according to Bob Baylis, publicity chairman of the CCF.

Millovich

Kanakalakakis

Moshier

Custer

The Weather

The phonograph record must be stuck. All the forecaster hears is a repeated melody of "fair, fair, and fair". Little change in temperature is expected. Yesterday's high was 74 with a low of 48. Skies were "blue, blue, and blue".

37 Candidates Battle For Top College Posts

Voting for ASB student body candidates got under way this morning when polls opened at 8:30 o'clock in the east wing of the Student Union. Voting will continue throughout the day up until 1 p.m. when the polls close.

Election officials do not expect any confusion in the use of the new Spartan Preferential ballot.

Counting of ballots will begin immediately after the polls close at 4 p.m. Tabulation is expected to require more time than formerly due to the new ballot.

Candidates in the race for ASB president are: Bob Custer, Dave Down, Mitchell Kanalakakis, Ray Lyon, David Millovich and Ed Mosher.

Vieng for the vice-presidency are Bob Madsen, Ed Miller and Jack Scheberies; for the office of recording secretary, Barbara Downey, Elsie Lawson and Marion Swanson; Patricia MacEaden and Loretta Thurson are candidates for the office of corresponding secretary.

Peter Crivillieri and Harvey Jordan are after ASB treasurer posts. Barbara Gale and Mildred Walls entered for women's representative at large. Steve Everett, Vincent Malone and Richard Thiel are entered for men's representative at large race.

Senior Student Council representative, Oliver Dibble and Herbert Patnoe. Junior Student Council representative, Owen Hall, Thea Pelligrinni, Jack Shippe, Dick Vaum and William Watts.

Sophomore Student Council representative, Sam Bowman, Joyce Dalton, Tom Evans, Virginia Johnson, Charles Knowles, George MacDonald and Mary Pahl. Lone candidates are Herb Lister for prosecuting attorney and Linnea Erickson for women's senior Court justice.

Get Out and VOTE !!!

Group Moves Program Site

The Memorial Day program for 1950 at San Jose State college will be conducted on the site of the proposed Memorial Chapel, rather than in Morris Dailey auditorium, as has been the custom previously. This decision was made Tuesday afternoon at a meeting of the Memorial Day committee in the office of Dean of Men Paul M. Pitman.

The tentative program for the ceremony, as released by Mr. Lowell Pratt, chairman of the committee, will open with numbers by the college band. Opening remarks by Dean James DeVoss will be followed by the driving of stakes outlining the Memorial Chapel building. Don Schaeffer, student body president, will direct the driving of the stakes by representative members of the four college classes, the faculty, ASB, AWS, and the alumni.

SJSC Co-eds Vote Today, Tomorrow

Elections for AWS officers will be held in conjunction with student body elections today and tomorrow. Fifteen women have filed petitions to run for the AWS positions.

Those running for offices are Joar Hale, Lynn MacDonald, president; JoAnn Keeler, Marilyn Russell, vice-president; Pat Flanagan, Barbara Hocking, Marilyn Pestarino, second vice-president; Shirley Crandall, Nadine Caster, Betty Darendinger, Joyce Malone, JoAnn Moore, secretary; Ingrid Anderson, Nancy Embshoff and Mildred Knowles, treasurer.

Voting Is Your Privilege

SJS Graduates 919 June 23 in Spartan Stadium

The Registrar's office has released a list of 919 SJSC students who made application for graduation in June, or at the end of the summer sessions, as of the April 15 application deadline.

Late applications are expected to increase this number another 100.

Students who expect to graduate in June or at the end of the summer sessions, and who have not yet made application for graduation, should contact Mrs. Margaret Henningsen of the Registrar's office as soon as possible.

Mrs. Henningsen explains that all students graduating in June, August and September will be required to take part in the June

commencement exercises, which will be held June 23 at Spartan stadium.

The list of candidates for graduation and their department majors follows:

—A—
Abler, Robert Anthony, Engineering; Acklin, Lucius Jr., Phys. Educ. Secondary; Adams, Juel Rae, General Elementary; Adams, William Donald, History; Adams, William Jefferson, French; Adorador, Alex J., Art Secondary; Albaugh, Barbara Jane, Phys. Educ. Secondary; Albert, Frank George, Commerce; Allen, Harmon W., Industrial Arts; Allen, John Ernest, Industrial Arts; Almlie, May Grace, Commerce; Andersen, Dora

Cecelia, Art; Andersen, Geraldine Joyce, Social Science/Philos.; Andersen, Melven C., Social Science; Anderson, Jean Dugan, General Elementary; Anderson, Mary Lou, Education; Anderson, Jean Elizabeth, Spanish; Anderson, Richard Leslie, Commerce; Anderson, Robert Lowell, Biol. Science; Anderson, Ruth Amy, Commerce; Angus, Richard Carter, Commerce; Ansley, Norman, Police; Anson, Harry Dale, Commerce; Anthony, Frances Jacqueline, Home Economics; Antonopoulos, Thomas M., Social Science; Arellano, Peter Leno, Physical Education; Armstrong, George William, Jr., Physical Education; Arnold, Mae Ellen, Commerce;

Arthur, Aubrey Boyd, Ind. Arts Secondary; Aten, William Henry, Ind. Arts Secondary; Auerbach, Audrey Lois, Occupational Therapy; Autry, Beverly Jean, General Major.

—B—
George W. Bailey, Commercial Art; Berkley John Baker, Social Science; Durward Delmont Baker, Ind. Arts Secondary; Margaret Young Bankson, Bus. Education Secondary; Catherine MacRie Barnes, Education; Donald Wayne Barnes, History; James Edgar Barnes, Industrial Technology; Robert Lee Baron, Biol. Science; Robert James Barret, Social Service; Sarah Phyllis Bartlett, General Elementary; James Adrian

Bartolomeni, Commerce.

Pauline Cottle Bates, General Elementary; Leslie Charles Battersby, Engineering; Bernard Francis Bauman, Industrial Arts; Elizabeth Leone Bauman, K/P Education; Barbara Jean Baumberger, Recreation; José Gill Bautista, Engineering; George Scott Baxter, Commerce; Robert Henry Baylis, General Junior High; Gertrude Beardsley, General Elementary; Thomas Edward Beaudet, Commerce.

Donald Guymon Beckstead, Commerce; Catherine Jane Beed, Interior Decoration; Natalie Nadine Beiter, Interior Decoration; Madeline Coe Bell, General Elementary.

Kappen Displays Coin Collection in Library

By ROY HURLBERT

There's a numismaniac running loose on-campus, but you needn't worry.

For Charles V. Kappen, assistant professor of journalism is perfectly harmless. He just has a liking for collecting coins, and, in technical terms, he is a numismatist. The coin and currency display

in the library showcases represents part of his collection. Time-worn and collector-cherished tokens of exchange are arrayed in all sizes and shapes.

Mr. Kappen's pet-like is gathering copper cents of the United States. He has a complete set of these, by years, from 1793 to the present. He also has a full set of U. S. two cent pieces and lacks one coin of having an entire set of U. S. half cents.

His most valuable coin is "a flying eagle" cent worth about \$150. Additions to his present stock are made mostly through trades with other collectors, Mr. Kappen indicates.

When did he first start hauling in money he didn't intend to spend?

"I got curious about Lincoln head cents back in 1937, so I decided to make a hobby of this interest."

Aside from his tutoring duties, Mr. Kappen edits the "Calcoin News," a bi-monthly state magazine for coin and currency addicts. In the May issue of the national magazine, "The Numismatist," he has written an authoritative article, "English Regal Copper Coinage."

Recently, he was elected president of the San Jose Coin Club. Mr. Kappen urges all interested individuals to take in a meeting of the organization. Sessions are held the first Monday of each month at the Hotel DeAnza.

Radio Group Will Perform Over KEEN

A description of the Engineering department's open house will be the highlight of "Spartan Review," the first part of a half-hour of all-Spartan entertainment starting at 8 o'clock tonight on Radio station KEEN, according to Dr. Edgar Willis, faculty adviser.

The description will be made by Nick Lickwar on a tape recorder a few minutes before the broadcast of "Spartan Review," written and directed by James Caputo, Nick Lickwar, and Dick McGlinchey.

"Drama Time" at 8:15 p.m. will present "Tomlinon," written by Ed Hayden, who based it on the poem of the same name by Rudyard Kipling.

The cast of "Tomlinon" includes Joseph Bologna, William Funnell, Vic Holshevnkoff, Richard Russell, and Ronald Sego. The author, Ed Hayden, will direct the play.

93 WILLOW STREET

AN OPEN LETTER

Members of A.S.B.:

The student administration of San Jose State college is now BIG BUSINESS amounting to over \$100,000 per year; this money belongs to the associated students holding student body cards—it belongs to you.

When a State college swells in population and activities, as we have, it becomes very evident that certain qualifications be considered in electing any candidate to properly administer these funds.

It is with this in mind that I wish to submit my qualifications to you when you elect a TREASURER this Thursday:

First off, I am a graduate of the Army's Finance school at Camp Beale, California; secondly, I served nearly two years in the Finance Department of the Army, auditing, accounting, recording and paying; finally, I have a sincere interest in administration.

If you consider this experience valuable for one who is seeking the position of TREASURER, I appreciate your confidence and shall do all in my power to ably fill that office.

HARVEY D. JORDAN.

Engineering Students Service Machine

Busily engaged in preparing a machine for proper operation in the display at the engineering open house are, left to right, Don Humphrey, Willard White and Suburo Fugita. The open house will be held today and tomorrow in the engineering and aeronautics labs. All SJS students, as well as the public, are invited to see the various experiments and displays. —photo by Gmelin.

Junior Council Adviser Talks On Graduation Fee Question

By ED CONKLE

Several seniors have voiced their objections this year to payment of the required \$9 to cover graduation and senior week expenses. The situation as it now stands requires every senior, with no exceptions, to pay the \$9 fee.

The question of whether the fee should be required was brought up in a junior council meeting Monday, when Mr. Milton Lanyon, junior class adviser, expressed the opinion that juniors should decide this year if they have any great objection to paying the fee next year. Unless there are a great many who object to it, Lanyon said, the procedure will remain the same next year, as it has this, with seniors paying \$9 as a graduation requirement.

"If juniors want the payment to continue," Lanyon stated, "all will have to pay it; if not, now is the time for juniors to voice their objections. Those who wish to express their objections will have an opportunity to do so next Monday at 4:30 p.m., when the Junior Council holds its regular meeting."

Lanyon said that if no juniors appeared before the council Monday, it would be taken for granted that juniors were in favor of paying the fee.

The \$9 graduation fee is broken down as follows: diploma, \$2.22; alumni dues, \$1.00; and senior week activities, \$5.78.

If the graduation fee is abolished, Lanyon stated, senior week activities, including the banquet, probably will be eliminated. With the elimination of senior week, seniors could find themselves taking finals with the rest of the classes.

"We would like this matter brought to the attention of all juniors now," Lanyon said. "Anyone who has an opinion on this matter will have their chance to express it at the council meeting Monday. Now is the time to speak up, not next year."

Four Library Members Visit Group Meet

Four San Jose State college librarians will attend the annual meeting of the Northern California Regional Group of Cataloguers Friday at Stanford, according to Miss Joyce Backus, librarian.

Making the visit, which includes a luncheon and speeches, are Miss Jeannette Vander Ploeg, Miss Helen Bullock, Miss Helen Olseen, and Mrs. Grace London.

Guest speaker will be Miss Mary Avakian from the United States Regional Agricultural Library, Miss Vander Ploeg said.

Other talks will be given by Miss Jane Higgins of the University of California and Mrs. Gladys Brown of the San Mateo County Library.

Blue Card Meets Commence Today

Students who received blue cards are urged to attend one of the group conference periods arranged by the Personnel office, according to Mr. Joe H. West, dean of student personnel and guidance.

The periods set aside for group conferences and conference leaders are as follows: Today: 10:30 a.m., B-23, Dr. Harrison F. Heath; 11:30 a.m., Room 33, Mrs. Edith G. Germane; 2:30 p.m., Room 33, Mr. William P. Ewens; 3:30 p.m., Room 25, Mrs. Germane. Tomorrow: 8:30 a.m., B-7, Dr. Heath; 2:30 p.m., Room 119, Miss Alice Dement.

Individual conferences also are being held today for students whose last name begins with A, B, or C.

Persian to Speak

Mohsen Haery, Persian student of San Jose State college, will speak on "Persia" tonight at 7 o'clock in Room 20 according to Niels Nielsen, club president.

A WORD
ABOUT
BRIAR PIPES

Imported briar means nothing unless that briar is properly cured and seasoned before it is made into a pipe. It must be mellowed, all sap and resin removed and slowly dried. It should be free from varnish and lacquer as they seal the pore and cause the pipe to smoke hot. So I recommend for greater smoking pleasure, only those pipes made by reputable manufacturers who use only good cured briar. Come in and look over my selection and see the difference.

SJS Wins Net Crown With Win Over Waves

By FRAN ERROTA

San Jose State college bowed out of CCAA tennis action with the 1950 championship. Coach Ted Mumby's inspired court artists scored a convincing 6-3 victory over the Pepperdine college Waves on the Spartan Village courts yesterday.

The tennis triumph yesterday gives Mentor Mumby three athletic championships for the year. His wrestling and gymnastic representatives also won league titles during the past year.

Coach Hubert Derrick's southern division winners blew four singles and two doubles matches to the locals. Butch Krikorian encountered trouble in first singles before coming from behind to beat Marshall Miller, a Wave freshman, 7-9, 7-5, 6-1.

Chet Bulwa, steady-playing Spartan took the measure of Jim Settles, veteran Pep netster in straight sets, 6-3, 6-4. Pepperdine's blond Jack Dahlstrom took third singles from Dick Russo 6-2, 7-5; Bob Castle of the locals defeated Dan Lewis 10-8, 6-3, and Don Gale edged Bill Mitch in three sets, 5-7, 6-0, 6-2.

The remaining singles match went to Bob Ballwanz, who downed Dave Parnay 9-7, 6-2. This gave the Raider varsity a 4-2 lead after the six singles matches were played.

The Mumbymen needed only one victory in doubles and with Miller and Dahlstrom of the invaders leading Krikorian and Bulwa 6-4 after one set in the featured doubles match, it looked very much like a Pepperdine comeback.

Parnay and Joe Dawkins, a freshman, clinched the title however with their convincing 6-2, 6-2 victory over Ballwanz and Mitch of the Waves in third doubles. After their shaky start, Krikorian and Bulwa rallied in the last two sets to nab their doubles assignment from the Pep duo, 4-6, 6-3, 6-4.

Walt Williams Pilots All-Stars

Walt Williams, San Jose State college baseball coach, has been chosen as the manager of the CCAA senior All-Star team, it was announced by Danny Hill, athletic publicity director.

Williams, who is in third season at Spartanville after coaching baseball for 22 years at San Jose

WALT WILLIAMS

High school, will direct the first all-star game, June 2, 1950, at Municipal stadium. The sponsors of the contest, Wes Mathias and Vic DeTulio, hope that the game will become an annual affair.

The San Jose coach announced the seniors that he recommended for the game: Captain Mel Stein, Tom Okagaki, Wil Concklin, Don Lopes, Dave McCarty, Earl Wright and Ralph Romero.

The Spartan baseballers with the best chance to make the team seem to be Ralph Romero, bespectacled starboard fliker, Don "Old Pro" Lopes, and Dave McCarty, hard-hitting, catcher-outfielder.

Contest Backers Must Sign Today

All campus organizations interested in backing the White and Gold football teams in Saturday morning's first annual student-supported football game are urged to contact Assistant Coach Bill Perry today before noon in the Men's gym office. Interested organizations or clubs must submit their entries today.

Perry announced recently that Quarterbacks Gene Menges and Dean Sensenbaugh will lead the Gold and White teams, respectively.

SJS Trackmen To Go to LA

San Jose State college trackmen face a double slate this week-end, running in the Coliseum relays at Los Angeles, Friday night, and the California relays at Modesto, Saturday.

Probably only George Mattos, pole vaulter, and Mel Martin, high jumper, of the Spartans invited, will be able to participate in the exclusive southern California affair. Practically all the personnel in that meet, joined by most of the other San Jose cindermen, will then move up to Modesto.

The 440 and 880-yard relay quartets originally were to take part in the Coliseum meet, man-for-man the classicist in the country. Since then Bob Crowe, Bob Nicolai, Don Davis, and Jim Gillespie have been hit by muscle ailments of one kind or another, robbing Coach Bud Winter of his best men for those events.

Halting by the war, the Cal relays have been taking on greater importance every year and now rank at about the level of the Big Six (Drake, Penn, Texas, West Coast, Coliseum, and Kansas relays). The meet features a parade of the athletes in downtown Modesto in the morning and includes three divisions — open-collegiate, junior college-freshman, and high school.

The University of Southern California will be on hand to defend its team title. Stanford university will be the top challenger to the Trojans for team honors this year.

Cornie Predicts New Record

By DOUG PRESTAGE

A new ceiling of between 16 and 17 feet for pole vaulters has been predicted by Cornelius "Dutch" Warmerdam, the only man ever to top 15 feet officially.

The only thing holding back would-be 16- or 17-footers, Warmerdam avers, is their lack of speed and height. To reach those stratospheric levels, the Flying Dutchman relates, the vaulter will have to be tall, thin, and be able to run the 100-yard dash in around 10.3 sec. Speed absolutely is essential after 13 ft. 6 in., Warmerdam says.

Apparently from personal experience, Warmerdam, now head basketball and assistant track coach at Fresno State college, believes that a vaulter doesn't reach his peak until long after he is out of college. Warmerdam picks Bob Richards, the famed flying parson, formerly of the University of Illinois, and Bill Carroll of the University of Oklahoma, as his logical successors.

Warmerdam sailed over 15 feet 43 times during his long athletic career and might have threatened 16 feet had not Father Time intervened. Warmerdam still is in good shape and did 14 ft. 2 in. just this year.

Tops in the Nation

George Mattos, Spartan pole vaulter, is listed among the top three men in that event in the country this year according to statistics compiled through May 3 by the National Collegiate Athletic bureau.

The only San Jose State college athlete to make the charmed group, Mattos is tied for the No. 1 spot with Bob Smith of San Diego State college and Bill Carroll of the University of Oklahoma at 14 ft. 5 in.

Each mark, ironically, was posted on the same Saturday afternoon, April 22. The Spartans were swamping the College of Pacific on the home grounds when Mattos made his spectacular performance. The effort was good for new meet, field and State college standards.

Mattos beat Smith. NCAA

Baseball Queen To Reign at Game

Lee Van Doren was elected queen to reign over the inter-collegiate baseball game to be played June 2. She was selected by the Rally committee during its meeting last night.
